

Dear Mike, When are you people going to stop following the money & do what's right. You're supposed to be working for the American people as a whole, not just politicians, lobbyists, or religious nuts. I'm paying for XM satellite radio because of the programming it offers that I can't get from NAB members. If the NAB can give me the same product & standardized national service @ a competitive price I could consider buying it. Respectfully,
Pat
